EXPO

JOIN THE MAKING OF A NEW WORLD

OCTOBER 1, 2021 TO MARCH 31, 2022

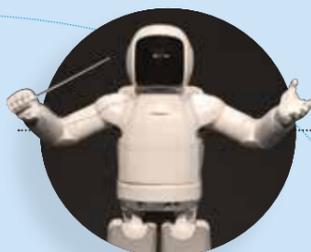

SUMMER 2021 EDITION

THE GREATEST GLOBAL GATHERING IN HISTORY

WHAT IS A WORLD EXPO?

The world's longest-running and largest mega-event attracts more visitors than the FIFA World Cup and the Olympic Games. World Expos are hosted every five years in cities around the world and have wowed audiences since their inception in London in 1851.

WORLD EXPOS TIMELINE

1851, LONDON

The first World Expo is held in South Kensington.

1904, ST LOUIS

The ice-cream cone is invented when one of the concession vendors runs out of serving plates and curls a waffle cookie into an ice-cream receptacle.

1939, NEW YORK

Radio Corporation of America (RCA) introduces live television to the mass public by broadcasting a speech by United States President Franklin D Roosevelt.

1970, OSAKA

The first mobile phone is revealed, giving visitors a glimpse into a much more connected future.

2005, NAGOYA

A humanoid robot is first introduced to the public.

EXPO 2020 DUBAI

The first Expo to be held in the Middle East, Africa and South Asia (MEASA) region and the first to be hosted in these changed times, by a nation and a city known for its ability to imagine and innovate.

RECORD-BREAKING EXPO 2020 DUBAI

In November 2013, Dubai won the bid to host the World Expo in 2020, becoming the first Middle Eastern city in history to do so. Expo 2020 Dubai will set several 'firsts' when it opens its doors to visitors for six exciting months.

COVID-19 SAFETY MEASURES AT EXPO 2020

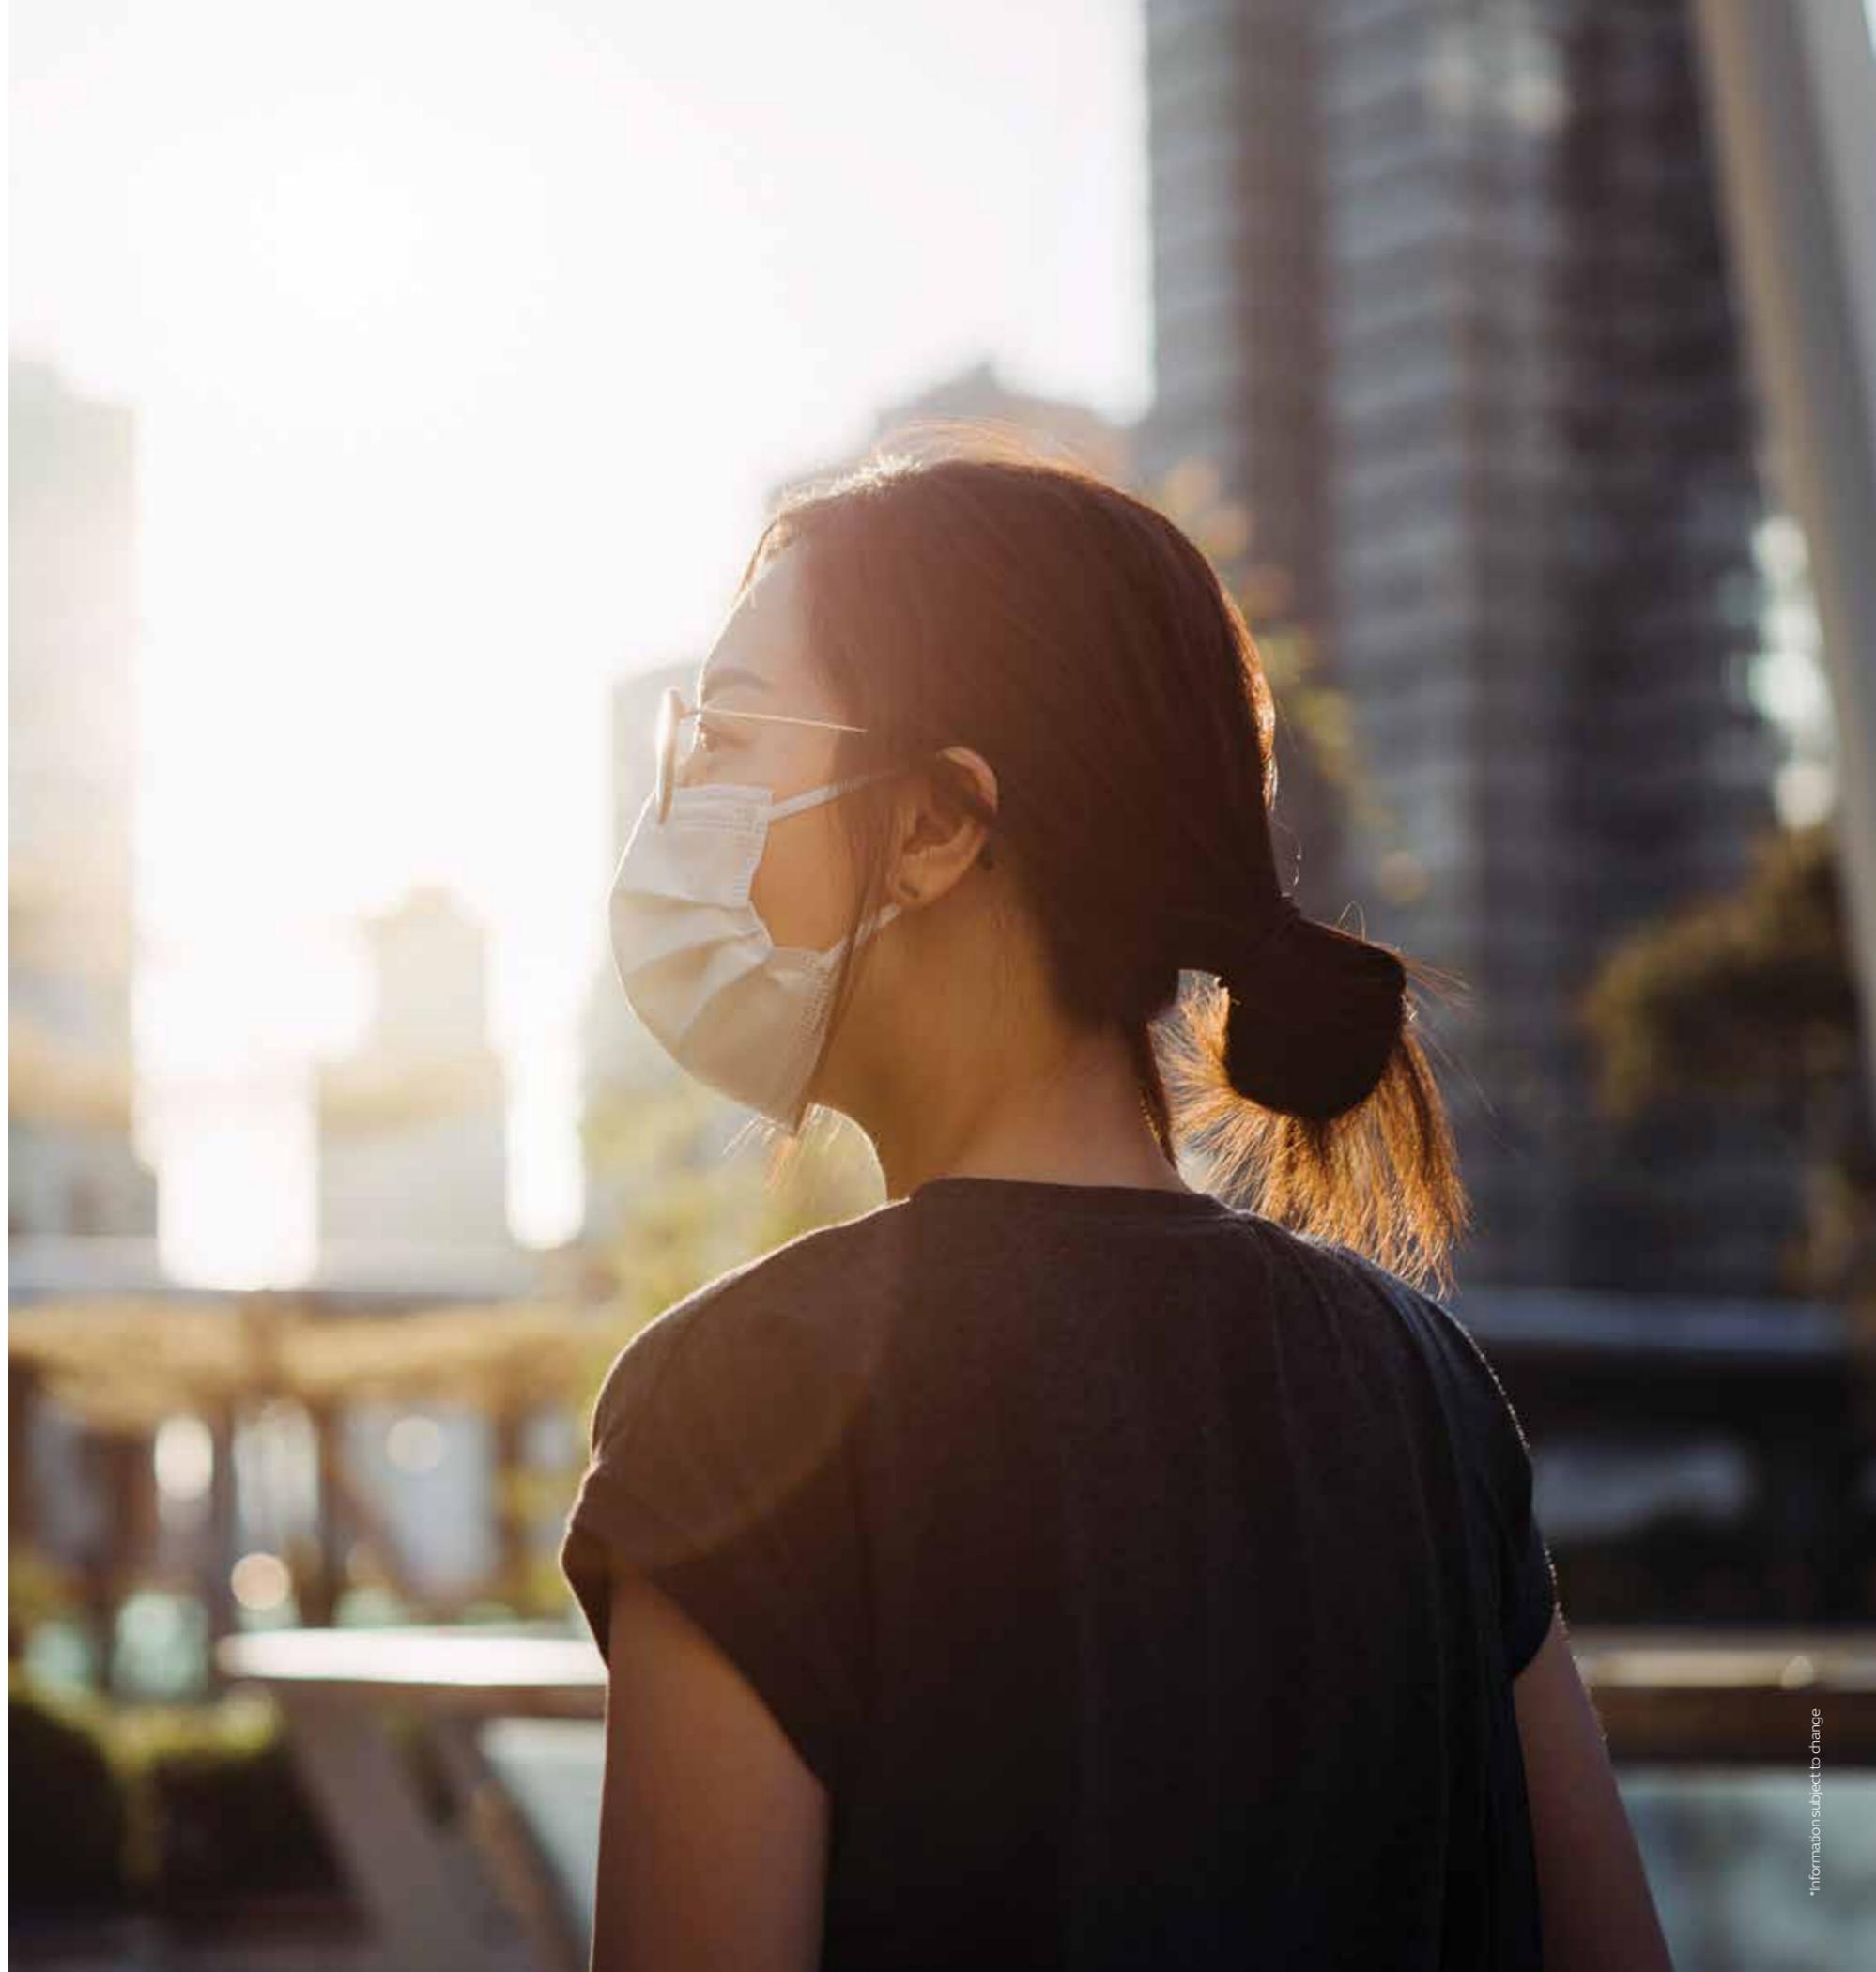

The health and well-being of visitors and everyone living in and visiting the UAE is our top priority. Expo 2020 Dubai follows guidance from the UAE Ministry of Health and Prevention and Dubai Health Authority, and the latest information and advice from the World Health Organization.

KEEPING YOU SAFE: MEASURES & PRECAUTIONS

-  Thermal cameras at arrival points
-  Face masks to be worn at all times by visitors and staff
-  Two-metre social distancing regulations
-  Regular cleaning and sanitisation of venues and common areas
-  Hand-sanitiser stations positioned at regular intervals around the site
-  Appropriate facilities and specialist staff to manage any potential medical issues on site

ENSURING SOCIAL DISTANCING

-  Capacity limits to control the maximum number of people permitted in venues
-  Floor markings to encourage social distancing in areas where visitors could queue or congregate
-  Signage and posters throughout the site that reinforce the importance of social distancing
-  Designated staff who will be responsible for monitoring and regulating social distancing across the site
